THE INSTITUTE FOR COMMUNITY & PUBLIC HEALTH

Childhood Immunisation Referral Criteria

Clinical Guidelines · GUIDE · Version 1.0

Referral thresholds and contraindication guidance for the routine childhood immunisation programme.

Overview

A concise reference for health visitors and practice nurses covering contraindications, deferral criteria, and when to escalate to specialist immunisation advice. Designed to sit next to the clinic computer.

What's inside

A plain-language overview you can read in one sitting
- Step-by-step guidance with decision points called out
- Worked examples drawn from real community practice
- A one-page summary to keep at your desk

How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.

About this collection

This document belongs to the Clinical Guidelines collection of the ResourceVault library and is provided as a demonstration document for evaluation purposes.
