# Community Health Champion Recruitment Guide

Community Outreach · GUIDE · Version 2.1

*How to recruit, train, and retain volunteer health champions who reflect their communities.*

## Overview

This guide sets out a repeatable model for building a network of volunteer health champions, including role descriptions, a light-touch training curriculum, and a recognition framework that keeps volunteers engaged.

## What's inside

A plain-language overview you can read in one sitting
• Step-by-step guidance with decision points called out
• Worked examples drawn from real community practice
• A one-page summary to keep at your desk

## How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.

## About this collection

This document belongs to the Community Outreach collection of the ResourceVault library and is provided as a demonstration document for evaluation purposes.
