THE INSTITUTE FOR COMMUNITY & PUBLIC HEALTH

Domestic Abuse: A Public Health Response

Safeguarding & Ethics · GUIDE · Version 1.0

Guidance on the public health role in identifying and responding to domestic abuse.

Overview

This guide frames domestic abuse as a public health issue and equips practitioners to enquire safely, respond appropriately, and connect people to specialist support.

What's inside

A plain-language overview you can read in one sitting
- Step-by-step guidance with decision points called out
- Worked examples drawn from real community practice
- A one-page summary to keep at your desk

How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.
