THE INSTITUTE FOR COMMUNITY & PUBLIC HEALTH

Health Needs Assessment: Step-by-Step Course

Professional Development · GUIDE · Version 1.0

A self-paced learning module that walks practitioners through a full health needs assessment.

Overview

This module takes learners from defining the population through to prioritisation and recommendations, using a realistic worked example throughout. It is accredited for CPD hours.

What's inside

A plain-language overview you can read in one sitting
• Step-by-step guidance with decision points called out
• Worked examples drawn from real community practice
• A one-page summary to keep at your desk

How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.

About this collection

This document belongs to the Professional Development collection of the ResourceVault library and is provided as a demonstration document for evaluation purposes.
