THE INSTITUTE FOR COMMUNITY & PUBLIC HEALTH

Leadership for Population Health: Reading List

Professional Development · GUIDE · Version 1.0

A curated, annotated reading list on systems leadership for population health.

Overview

A carefully annotated reading list for practitioners stepping into systems leadership roles, with a short note on why each item earns its place.

What's inside

A plain-language overview you can read in one sitting
• Step-by-step guidance with decision points called out
• Worked examples drawn from real community practice
• A one-page summary to keep at your desk

How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.

About this collection

This document belongs to the Professional Development collection of the ResourceVault library and is provided as a demonstration document for evaluation purposes.
