THE INSTITUTE FOR COMMUNITY & PUBLIC HEALTH

Mentoring in Public Health: Handbook

Professional Development · GUIDE · Version 1.0

A handbook for setting up and sustaining effective mentoring relationships across the workforce.

Overview

Practical guidance for both mentors and mentees on contracting, structuring sessions, and getting genuine value from the relationship, with sample agreements included.

What's inside

A plain-language overview you can read in one sitting
• Step-by-step guidance with decision points called out
• Worked examples drawn from real community practice
• A one-page summary to keep at your desk

How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.

About this collection

This document belongs to the Professional Development collection of the ResourceVault library and is provided as a demonstration document for evaluation purposes.
