THE INSTITUTE FOR COMMUNITY & PUBLIC HEALTH

Public Health Practitioner Competency Framework

Professional Development · GUIDE · Version 1.0

The full competency framework underpinning ICPH professional registration and CPD planning.

Overview

This framework defines the knowledge, skills, and behaviours expected of public health practitioners at each career stage. It anchors appraisal, CPD planning, and the Institute's registration standards.

What's inside

A plain-language overview you can read in one sitting
- Step-by-step guidance with decision points called out
- Worked examples drawn from real community practice
- A one-page summary to keep at your desk

How to use it

Read it through once to orient yourself, then return to the relevant section when you need it. Share the one-page summary with colleagues who need the headlines rather than the detail.

About this collection

This document belongs to the Professional Development collection of the ResourceVault library and is provided as a demonstration document for evaluation purposes.
